Showcasing India's Safe & Sustainable Seafood Potential

Dive into the heart of India's seafood industry at the inaugural Seafood Expo Bharat 2025, hosted by the Marine Products Export Development Authority (MPEDA), India's official agency to promote the export trade of marine products. This premier event unites producers, processors, exporters, innovators, and global buyers - all under one roof. Discover advancements in traceability, quality, and sustainability, while forging meaningful trade partnerships to propel India's seafood exports to new heights.

India: A Global Seafood Powerhouse

With its vast coastline stretching to its islands and thriving aquaculture sector, India is among the world's top seafood producers and exporters - supplying high-quality products to over 130 countries. Backed by cutting-edge processing facilities and international standards, India's seafood industry is built for global trust. Seafood Expo Bharat 2025 continues MPEDA's legacy of excellence with a dynamic Reverse Buyer-Seller Meet (RBSM), offering a premium lounge to India's thriving seafood ecosystem and unmatched export potential.
